SUBJECT:

Commendation for Work as Co-Director of the
Counter-Deception Analysis Course

Jim
1. Earlier this year, in an exchange of memoranda between the DDI, DDA, and myself you were designated as the Directorate of Intelligence co-director of the Counter-Deception Analysis Course (CDAC).

2. Within one hundred days you and [redacted] designed, developed, and presented the prototype running of the CDAC. It was highly successful and represented an exceptional achievement.

3. Prior to this time there had been no formal, systematic way to perform intelligence analysis involving potential deception. Guidance developed for this course in the form of a Counter-Deception Analysis Plan addressed this shortcoming and represented a first in this area. Achievements of this type represent the standards of excellence which OTE seeks in its courses.

4. I know you continued to perform your normal duties and at great personal sacrifice worked long hours to ensure the success of this project. The substantive leadership you personally provided was invaluable and has been cited as a key factor to the success of the program. Congratulations on a job well done.
